Patient Advisory and Acknowledgement Receiving Dental Treatment During the SARS-COV-2 Pandemic

Dear Patient/Parent,

You are presenting to our office for dental treatment. While our office complies with the State Health Department and the Centers for Disease Control and Prevention infection control guidelines to prevent the spread of the SARS-COV-2 virus, we cannot make any guarantees.

Our staff are symptom-free and, to the best of their knowledge, have not been exposed to the virus. However, since we are a place of public accommodation, other persons (including other patients) could be infected, with or without their knowledge.

In order to reduce the risk of spreading SARS-COV-2, please answer the following screening questions below. For the safety of our staff, other patients, and yourself, please be truthful and candid in your answers.

- I understand there will be a \$15 per patient/\$30 max per family “COVID-19 PPE Safety fee” applied to each dental appointment*
- I have read and understand the “No Show and Cancellation Policy”*
